## Community Impact Through Partnerships

### Metro West

The Metro West Chapter Citizens of Georgia Power, along with the Metro West Ambassadors, assembled over 60 Family Easter baskets filled with toiletries and candies that were donated to Sweetwater Mission in Austell GA, a non-profit organization who offers food and clothing assistance to low-income residents of Cobb and Douglas counties.

These baskets were not the "traditional" Easter baskets. They included medium and large laundry baskets, buckets, wrapped Easter baskets, which were then filled with gift bags/cups, full of candy, plus needed household toiletry items. One thing for sure is there was no right or wrong way of assembling these "Family Easter Baskets". Thank you to our members who assisted in assembling these baskets

### Altamaha
